

Coate Water Care

Mockley Manor Care & Nursing Home

“We care because you care.”

Welcome to Mockley Manor Care & Nursing Home

After a meticulously planned and splendidly executed £4 million-plus renovation our Warwickshire care home really does have the wow factor, but one thing has not changed. Five minutes into a conversation with anybody connected with Mockley Manor – carers, managers, residents’ relatives - and the word ‘home’ inevitably crops up. And that’s not just home as in care home, it’s home in the sense of the place where we feel most comfortable and secure, as in ‘a home from home’ or ‘home sweet home’.

Part of that is down to the impressive new surroundings. In terms of layout, furnishings, colour schemes and signage every last detail of the renovation has been designed according to best practice when it comes to elderly residents and people living with dementia.

The multimillion pound investment by owners Coate Water Care is reflected in truly state-of-the-art facilities with bespoke individual suites and the latest technology that care homes can offer to keep their residents safe and well.

A new reception, coffee shop, cinema suite, hairdressers and laundry service boast luxury

hotel standard interiors and furnishings, whilst new person-centred software allows carers to input data on residents in real time, reducing paperwork and giving carers more time to care.

But home is not just about fixtures and fittings, it’s about the people that surround you, and Mockley Manor is immensely proud of the contribution made by our carers, whose empathy, individual attention and sheer professionalism is what really makes the residents feel ‘at home’ and equally, makes residents’ family and friends feel comfortable and secure with the levels of care.

“We care because you care.”

“

People told us they were happy living at the home, because the staff were friendly and thoughtful. ‘Staff are kind to me’, ‘They make you happy and make you smile’ and ‘The girls are lovely and very helpful’. Relatives said, ‘It’s like an extension of home’ and ‘the staff are absolutely amazing’.”

“Home Sweet Home” in a picturesque location

Mockley Manor is set in beautiful grounds on the outskirts of Ullenhall, a pleasant village in the heart of the Warwickshire countryside, 7 miles from Redditch and easily accessible from Stratford, Solihull and the M42. We provide a range of bespoke single and double rooms with en-suite facilities. Many residents decorate their rooms with cherished family photos and keepsakes to make them feel at home.

Home cooked food by top chefs

Gorgeous home-cooked meals are prepared on the premises by our qualified chefs and served in our comfortable dining room. The highly acclaimed and award-winning chef Matt Cheal of the Michelin listed Cheal’s restaurant in Henley-in-Arden recently joined our team of chefs to offer guidance and inspiration.
